# UNIQUE SELLING POINTS AT A GLANCE

## Super Nature at its Best

In the heart of bursting nature with turquoise waters, sandy beaches, greenery and gardens.

## Seclusion and Privacy

12 villas with private salt-water pools, private terraces and surrounding gardens.

## Unpretentious Luxury

Large and spacious one, two and three bedroom villas with en-suite bathrooms. Each villa has its own private salt-water pool, terrace and kitchen.

## Secluded Beach

A hidden gem right in front of the hotel, sandy, serene and away from the crowds.

## Mediterranean Dining

A healthy mediterranean Greek cuisine based on locally sourced ingredients and Kefalonian traditional recipes with a modern, healthy twist. Mostly organic, regional and sustainable, inspired from the values of Slow Food and Slow Living.

## Amazing Pilates, Open Gym, Yoga

Eliamos has an outdoor gym with views towards the sea with wooden Pilates reformer, wooden-clad bikes and movement-powered elliptical treadmills for aerobic workouts and a gym with weights.

Yoga and pilates sessions take place with full-time trainers. There is a common salt-water lap pool to relax or do laps for fitness.

## Spa & Wellness

Our two room spa provides several types of massage anchored in traditional methods by certified professional therapists.

## We Love Children

Children may be cared for in a group or alone by certified caretakers and are encouraged to participate in outdoor activities including olive picking, star-gazing and turtle conservation efforts.
